

GOOD AS THE BEST AND BETTER THAN THE REST.

Pennsylvania Lawn Mowers

A new lot of these well-known mowers just at hand, and they are in time for you to attend to the grass that will be growing so fast on your lawns after the fine rains we have had.

We have the rest of the tools that go with Mowers, such as Hedge Shears, Hand Clippers, Tree Pruners, and All Sorts of Garden Tools. By the way, have you tried a little of our FORCEGROWTH on your lawns and in your gardens?

No More Tire Trouble If You Use Standard Tire Protectors

They take all the hard knocks, stone or glass cuts and bruises that a tire tread is constantly subject to, and preserve the tire in its original strength, thus eliminating the danger of the blow-out, the "bug-bear" to the automobilist. When once in place it positively cannot creep or come off. It adds to the resiliency of the tire. It actually saves more than half the tire expense.

A number of sets of these protectors are in constant use here, and are giving entire satisfaction.

Standard Tire Protectors save you Time Expense & Wear.
Call or send for latest booklet, which fully explains the "facts" about Standard Tire Protectors.

Marathon Race To Haleiwa Sunday

The Haleiwa Marathon will be run tomorrow sure, wet or fine. Much interest has been shown in the event ever since the idea was first mooted. It is to be hoped that the rain does hold off, because otherwise the race will be more or less marred. At present everything points to a fine day's sport and the crowd at Aala Park tomorrow morning should be a record one.

The bicycle race will start at 7:30 a. m. and the runners will be sent off on their long journey five minutes later. The pedals must report at the O. R. & L. depot at 7 o'clock, and leave their suits-case there. Cyclists must do the same.

Any runner who takes assistance of any sort from outsiders, will be disqualified at once, and if a man is even seen sitting in a stationary vehicle he will be ruled out of the race. The winner of the Marathon will take the Hildgood cup, temporary possession of the Marathon cup, a prize of ten dollars and two passes for the Opera House. This lot is worth winning and there will be a great struggle to capture the bunch of prizes.

Contestants must follow the road except where sign posts direct otherwise. The race will probably be run by the winner in about four hours, and it is hard to say who will win. There are still a few tickets unsold for the special train, and anyone who wants one had better drop in and see Mr. Vierra before it is too late.

Doctor Li Will Talk About Base Ball

The Aala concert and dance in celebration of the victory in the Riverside Junior League will take place this evening at the K. of P. Hall, and, judging from the sale of tickets reported, there will be a big jolly crowd present. It will be a memorable occasion and all the boys of the club are working very hard to make this affair a big success.

In the program for the concert will be included an address by Dr. K. F. Li, one of the most prominent residents in the Chinese community and a strong supporter of baseball. Dr. Li will speak mainly on the subject of baseball among the Chinese here, and he will have for his interpreter, W. Tin Chong. Then there will be selections by the Kalamal Glee Club, the Kalamal twins, the Misses Li and several other well-known local artists. Johnny Noble is also on the program to give a whistling solo. Noble can whistle better than any other person in these islands.

The dance will take place immediately after the concert and A. K. Vierra will act as floor manager.

There will be no admission charged for ladies, as the committee has decided to invite all the fair sex who care to go. Those who have not bought their tickets can do so at the door.

Fine Golf At Country Club

The Country Club will be in fine tomorrow and, given fine weather, a big crowd will probably turn out for the medal tournament. Play starts at 10 o'clock sharp, and everyone is requested to be at the Club on time. A bus will run from the car-line to the links, making the first trip at half-past 8. The weather looks promising at present and the links should be in fine condition. Two prizes have been selected—one a beautiful office desk clock, and the other a Thermo bottle. These rewards will be given to the best gross scorer and best net.

PROGRAM

Cricket
Mar. 20: Cambrian vs. Honolulu.
Field Sports
Mar. 20: All Schools.
Social
Mar. 20: Aala A. C.
Marathon
Mar. 21: Haleiwa Race.
Golf
Mar. 21: Medal.

WHITE STEAMER SHIPPED TO PRESIDENT-ELECT TAFT

The White Company, a few days ago, shipped to Washington the seven-passenger touring car recently purchased by President-elect Taft for his personal use. There is but one feature—and that an important one—to distinguish Mr. Taft's car from any other Model "M" White Steamer; namely, on either door is painted the coat-of-arms of the United States.

A recent visitor to the White factory, seeing the car in the paint-shop remarked: "I suppose that car has a lot of special features." "Yes," replied Rollin H. White, who was escorting the visitor. "The special features which are found in every White car. In other words, when we are making a car for the President of the United States there is no way in which we can make it better than the car which you, or any one else, can purchase from us."

All-Schools At Athletic Meeting

The All-Schools sports meeting comes off this afternoon, and Oahu, High and Kanehameha scholastic institutions will struggle for the championship. Each of the schools may be depended upon to put up a noble effort to capture the laurels on Alexander field.

The 220-yard sprint will be one of the most important events and the Island record will probably be broken by the winner. McKenzie, Desha and Rice will represent their schools and the race should be a very fast one. In the mile run Whiting appears to have the best chance of winning, but Norton and Johnson may trouble him, to say nothing of Young and Gibb.

The Kama should win the weight events, and the sprints will probably be evenly divided between the schools. Desha and Sing Chong of Oahu look to have good chances. High School is weak in the middle distances, and on the hammer throw. Kam, on the other hand, is strong on the weight-throwing events. Oahu has a fair chance for every event.

Desha is running in fine form just now, and will probably cut down the 220 record. He also will do well in the hurdle races. The events to be brought off are as follows: 100 yards sprint, mile run, 220 yards low hurdles, 440 yards run, 220 yards run, 880 yards run and relay race. The field events which will be pulled off, consist of high jumps, shot put, broad jump, pole vault and hammer throw.

There will be a charge for admission to the field and the gate money will be devoted to paying the expenses of getting up the sports meeting. Twenty-five cents will admit any of the public, whilst a charge of ten cents will be made for schoolboys. A tag will be given to all paying the admission fee, and this tag can be worn on the coat. Tents have been erected in the center field, and all arrangements have been made for the comfort of the contestants. Programs have been printed and will be obtainable on the field. All the men are trained to the minute, and everything points to a good afternoon's sport. The first race starts at 2 o'clock sharp, and all the other events will be run promptly on time.

ditto, and are well worth winning. The seventh hole has not yet been made in three, and a special prize is waiting for the golfer who does achieve the task.

Return Match At Makiki To-day

The return cricket match this afternoon between the combined warships and the Honolulu team promises to be a tight game. The local team has been greatly improved by the addition of Buchly, Morse, Cockburn, Irwin, and Deerr. The sailors will be up against the real thing this afternoon, and will have to make a good score to win. However, the naval men are more used to concrete wicket now, and will probably hit up a much larger score than on Thursday last. It should be a very exciting match, and some good batting should be seen. If Bob Anderson gets again he will make his century. Morse is a rattling good batsman, and Buchly is as good as they are made. Vass Agnew may be relied upon to put up a good, all-around game, and his bowling will be a feature of the match. Douglas will not be playing this afternoon, and it is a great pity, for he is a first-class man.

The game will start at 2 o'clock and all players are requested to be on the grounds on time.

The local team will be picked from the following players, all of whom are requested to turn up: R. J. Buchly, S. Beardmore, J. L. Cockburn, C. P. Morse, N. Deerr, J. H. Fiddes, W. Crail, Dr. A. Irwin, R. Anderson, J. R. Maclean, W. Brown, Dr. Vass Agnew, H. Bailey, and J. C. McGill.

Cambrian And Flora Play Rugby

The Flora put it all over the Cambrian at Rugby football yesterday afternoon. The tars from the Flora won by a score of 16 to nil, which is a pretty tidy kicking. The game was played on the old Puhonou ground, and was watched by a fair-sized crowd.

For the Floras, Tapper played a fine game; his work was clever and neat at all times. The first try which he scored was the result of a fine bit of team play in which Smale assisted. The second try was made by Hullins, who raced for the ball and fell on it. Tuxton kicked the goal from a difficult angle.

Stafford, the three quarter, scored the third try. The kick for goal was a weak effort, the ball hardly rising. Wreble scored a try after a very clever run. The ball had been thrown in from out of touch, and Wreble secured it and made a dash for the line. The fullback tackled strongly, but Wreble fended him off, and ran in and scored.

Spliddle acted as umpire and made the game free and open by not using the whistle too much. It was an interesting match and was much enjoyed by the players and spectators.

The lineup was:
Cambrian — Stone, fullback; Lt. Pinsent, Phillips, Lieut. Spalding and Abbott, three-quarters; Peard and Matthews, halves; Griffiths (captain), O'Neill, Isaac, Quergret, Andrews, Ball, Green, and Creece, forwards.

Flora — Woodrow (captain), full back; Stafford, Lutton, Smale, and Watts, three-quarters; Carpenter and Dunn, halves; Frost, Cullings, Tapper, Wreble, Chanter, Gorman, Meers, and Hullins, forwards.

Hawaiian Gun Club Meet 28th.

The Hawaiian Gun Club will hold its semi-annual shoot on March 28. There will be six matches, free for all. On Mondays, Wednesdays, and Fridays practice shooting will be carried on, starting at 5 o'clock. This hour has been fixed as the most convenient for everybody, and all those who want to get their eye in should manage to get out on one of the three afternoons for a practice.

There is a chance of some of the Maui shots coming down for the meeting on the 28th. It is to be hoped they do so, for their appearance would lend great interest to the free-for-all events. There are some real good shots on Maui, and, with practice, some of them would make the local champions look to their laurels.

The shoot at the end of this month should be a great affair, as several good shots happen to be in town at present and will not be leaving before next month.

Hilo Base Ball Sailors Will Start Soon Have Good Time

The Hilo Baseball League met on Monday evening at Firemen's Hall, Captain Pether presiding. Present were representatives of the following teams: Matsujima team, Young Hilo, Morning Stars, Naniwa, Hilo, and the Moohaus.

After the minutes of the previous meeting were read and approved, the secretary suggested that the league had no by-laws and it was moved that the by-laws of 1937, with the exception of the forfeiture clause, be adopted. Seconded by George Desha and carried.

George Desha moved that the entrance fee be \$10. Seconded by Todd and carried.

The secretary then read the list of players of each team, when Tavaras called attention to the fact that O'Brien had signed on two lists—the Hilo and the Moohaus. O'Brien stated that he was for the Moohaus. Brick Lyman protested that, as O'Brien had signed on his list, he could not stand for the Moohaus. The Chair stated that when O'Brien signed, the league had no by-laws.

Secretary Richards then stated that fees were due there and then. George Desha moved that the matter of fees be considered at the next meeting, March 22d. Seconded by Morehead and carried.

The Chair then appointed the captains and managers of the different teams a committee to arrange the schedule. Adjourned.

Mrs. Morin, sister of "Lucky" Baldwin, says she is not a fortune hunter. Eastern visitor checked by waitress of society people in Yosemite valley.

Mr. George Davies has arranged matters so that a bunch of 150 men from the Canadian and Puget will be given a high old time today. Mr. Davies of the Puget Institute will see after the details of the event. The men will go out to Kapaehaui Park, and a program of sports will be carried out. Football, tag-of-war, and foot races will be brought off. The aquarium will also be visited, and afterwards a swim indulged in. Refreshments will be provided, and if the weather permits will be eaten in the open. If it is too wet the banquet will be served at the Institute.

This evening's concert and variety show will be given by the sailors from both warships, and this show should be a first one. The tars have some star vaudeville acts in their repertory, and most of their business is new and up-to-date. "Jackie" Isaacs has a great reputation as a comedienne and may be relied upon to bring in some new jokes and plays. The show will be given in the hall of the Institute, and will start at 8 o'clock.

President TSD has a double in Oakland police station — Sergeant William Madison McElind. Burlington road meets Ulukou. Peck's cat in time between Ewey and St. Louis. Madame Steinhilf implicated in murder of husband by sergeant's story.

Joshua Kien, the radioactive physicist, is on trial at Tacoma. President Taft says his administration will be optimistic.
